RE: 2022 IFTA Decal Shortage Over - Alberta

Further to our notice dated June 29, 2022 advising that Alberta was experiencing a decal shortage and requesting IFTA jurisdictions suspend enforcement action on Alberta IFTA carriers that do not have decals but can produce both a 2022 Alberta licence and a letter issued by Alberta Treasury Board and Finance, Tax and Revenue Administration authorizing operation without the required decals. Please be advised there is **no longer a decal shortage in Alberta** and other IFTA jurisdictions should resume all enforcement activities with respect to Alberta IFTA carriers.

Sincerely,

James Ackroyd, CPA-CMA, LLB.
