RE: Massachusetts 4th Quarter 2020 Rate Matrix Correction

Date: December 10, 2020

This notice serves as notification that the fourth quarter tax rate matrix was not uploaded with the proper tax rates for Propane Fuel, LNG, and CNG. The Massachusetts section of the tax rate matrix should have been updated to advise that the new rate for these fuel types was 0.159 effective October 1, 2020.

The current IFTA Tax Matrix has 0.136 and the correct rate should be 0.159.

We do apologize for this error and are taking steps to ensure the mistake does not repeat itself.

Jurisdictions or motor carriers with questions may contact the IFTA Commissioner, Steve Adamek at (508) 792-7300 x22250, Monday through Friday, 9 a.m. – 5:00 p.m.

Sincerely,
The Commonwealth of Massachusetts
Department of Revenue
