### Quality Issues with the Minnesota 2014 IFTA Decal

Minnesota Driver and Vehicle Services (DVS) have been receiving reports from customers who are experiencing quality issues with some of the Minnesota 2014 International Fuel Tax Agreement (IFTA) decals. These customers have reported decals as not adhering properly, portions of the decal breaking off, as well as problems with the decal peeling then completely falling off vehicles.

While so far the issue has not been wide spread enough to warrant a complete re-issuance of the decals, Minnesota is offering replacements to carriers at no charge.

Furthermore, we are asking jurisdiction law enforcement officials to take this issue into consideration should you question a Minnesota carrier with a valid 2014 IFTA license certificate but with a missing or defective 2014 Minnesota IFTA decal.

Should you have any questions regarding this issue we invite you to contact the Minnesota Driver and Vehicle Services IFTA office at (651) 205-4141, Monday through Friday between 8:00 am and 4:30 pm Central Standard Time.

Thank you for your assistance.

Sincerely,
