RE: 3<sup>rd</sup> Quarter 2013 IFTA Tax Rate Error

Nebraska intends to bill the difference between the reported tax rate and the corrected tax rate. Depending on the total dollars due, we may put a threshold in place on the minimum amount to collect. We won't know this number until the transmittals are created.

We would like to thank all the jurisdictions for their help in making this change on our behalf. As far as we can tell, all but two jurisdictions were able to make the change. Thank you!

Sincerely,

Beth Hartley
