ATTENTION: IFTA Commissioners and Staff

The Province of Newfoundland and Labrador's tax rate for the third quarter of 2023 did not update correctly within the IFTA matrix. Effective July 1, 2023, the Province of Newfoundland and Labrador terminated the carbon tax program, which resulted in a reduction of tax requiring collection by the various jurisdictions.

We are requesting that all jurisdictions honor our rate correction for the 3rd Quarter of 2023 as per the below:

	Rate effective July 1, 2023
Gasoline	\$0.0750 CDN \$0.2143 U.S.
Diesel	\$0.0950 CDN \$0.2715 U.S.
Propane	\$0.0700 CDN \$0.2000 U.S.

We apologize for any inconvenience or confusion this may cause. If you have further questions, please feel free to contact the Province of Newfoundland and Labrador at 1-877-729-6376 or TaxAdmin@gov.nl.ca.

Sincerely,

Glenn Lockyer CPA, CGA
Director of Tax Administration/ IFTA Commissioner
