Re: Ohio 2024 IFTA Decals

Dear IFTA Commissioners,

The state of Ohio is experiencing issues with some of our 2024 decals. It has come to our attention that the adhesive is not properly bonding some of the decals to the vehicles.

We are in contact with the vendor and are prepared to issue replacement decals for those affected.

The Ohio Department of Taxation requests law enforcement agencies take this into consideration before issuing citations to Ohio based carriers. Ohio carriers should be able to produce a current Ohio license upon request.

Please forward this notice to your jurisdiction's law enforcement personnel.

Sincerely,

Cody Fitch, Administrator
Excise and Energy Tax Division
